EXPERIENCE

March 2026 – July 2026	Office of Student Affairs – University of Mindanao Digos College Developer & Graphic Designer (Intern) Contributed as a Developer and Graphic Designer during my internship by developing user-friendly interfaces, creating visual assets, and supporting the design and implementation of ORGPORTAL for the Office of Student Affairs. Collaborated with the team to enhance user experience, improve system functionality, and produce promotional and institutional materials.
August 2025 – April 2026	CDSG – University of Mindanao Digos College Graphic Designer & Social Media Committee Member Created engaging visual content and promotional materials to support the council's events, initiatives, and campus communications. Collaborated with committee members to produce consistent, high-quality designs that strengthened the organization's branding and student engagement.
2024 – 2026	Higanteng Laagan Travel & Tours Graphic Designer Designed engaging marketing materials and digital content to promote travel services and strengthen the company's online presence. Worked directly with the owner, who handled marketing responsibilities, to produce visually compelling designs that aligned with the brand and attracted potential customers.
